SUBJECT : WORLD DRIVING COMPETITION FOR HEAVY HORSES – AUGUST 2009

Dear Sirs,

We are happy to inform you that we organise, under the aegis of the French Equestrian Federation and in association with AP3C*, a **WORLD DRIVING COMPETITION FOR HEAVY HORSES**.

This competition will take place at *Les Ateliers du Val de Selle* - Conty (France), site of the World Single Driving Championships in 2002.

Conditions :

Classes:

- Single horse
- Pairs
- 4-in-hand

- * Number of drivers by country : 3 (1 for each class)
- * Individual classification by class
- * Classification by nation

A National Federation not able to enter a full team can enter only a competitor.

You will find further details in the Draft Schedule that will be sent to you in a few months.

Other following events will be connected to this World competition:

- **A World Driving competition for disabled people**, in Amiens : we shall be happy to welcome one disabled driver by country (with Single Heavy Horse)
2 classes:
 - * Drivers from 11 to 17 years old
 - * Drivers of more than 18 years

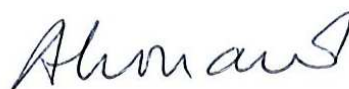

- A work of reflection on the importance of Heavy Horse and its place in our future, both from the point of view of its utility and role which he can hold :
 - * by facilitating jobs of nearness;
 - * by developing reflection allowing his reintroduction.And its importance in the fight against the effect of Carbon and its possible introduction on the orientation of our future life rhythms.

- * We should add a World of Skydding (which rules must be defined), a World of Cones Test by Voice on a Cones Arena including actions by walk, stoppings, moving back...

Don't hesitate to contact us for any further informations.

The Best Regards.

Allain HOUARD
